Deeper Reach*

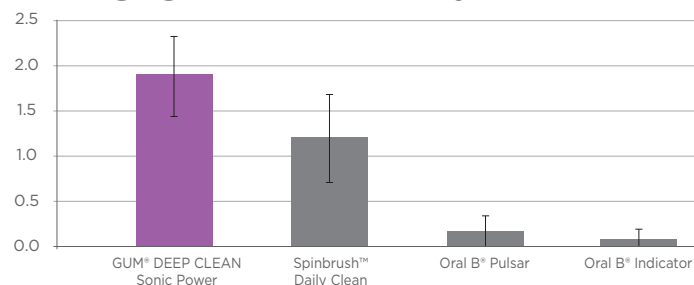

Designed for optimal
patient compliance

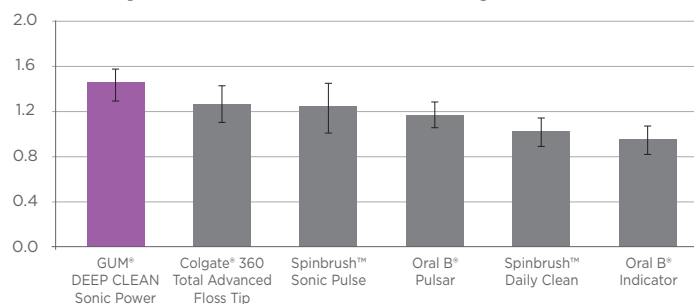

GUM® DEEP CLEAN Sonic Power

Provides a solution to help maintain healthy teeth and gums. This new brush, with ultra-tapered bristles, offers superior efficacy with between teeth and below gumline access.¹

Subgingival Access Efficacy (mm)

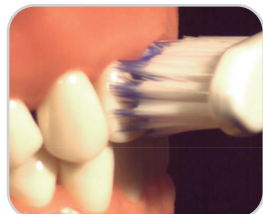

Interproximal Access Efficacy (cm)

An affordable option for your patients

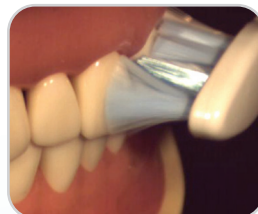

Robotic testing shows how GUM® DEEP CLEAN Sonic Power ultra-tapered bristles reach deeper between teeth and below the gumline than other electric toothbrushes.
